When you pass Turjak, follow the road and drive down the hill and under the bridge. Directly at the bottom of the hill, take a sharp right turn towards Rob. Follow the road round for approximately 350 meters. On the left you will find **free parking** available.

From the parking spaces please **follow the Fast Forward signs on foot** to the Fast Forward Learning Center. **Do not park at the Fast Forward Learning Center** as this is a residential area and access needs to be clear at all times.
